By the year end, we are expecting to achieve more than 50% users using the Touch n' Go card on LATAR Expressway.

"We are encouraging more motorists to use Touch n' Go cards to pay their toll. Grab the opportunity for the entitlement of 20% toll rebate currently given out by the government as it proved to be much cheaper (refer to www.touchngo.com.my for more details). Motorists can also save their travelling cost while enjoying faster, safer and convenient use of EPTS compared to the conventional cash payments. Avoid from queuing and reduce traffic congestion at manual lanes. Use Touch n' Go and you will be a smart traveller" said En Amran Amir.

QUARRY RACE 2012

By Suraya Mat Arif

Sungai Long Industries' Sport & Welfare Club (KSKSLI) organised another round of treasure hunt activity for its members called "Quarry Race 2012" on 15th April 2012 after it successfully organizing it for the first time in 2011.

"Sweat along the way, but we like!" Ms Yu Soon Ping, a club member, told Buletin Bina Puri.

It was fun to accomplish all tasks i.e. stepping on bricks, solve puzzles, soak & drip, blowing up balloons and finding hidden items. It's sound simple but it still needs a good strategy and teamwork. Sometimes, at our age (not old but a little above the teenage level), such games like Quarry Race is good to stimulate our 'oomph' and energize our 'battery'. Indeed the game requires good planning, attitude and teamwork to accomplish the tasks successfully.
