APPOINTMENT OF Y.BHG. DATO' IR WONG FOON MENG AS CHAIRMAN OF BINA PURI HOLDINGS BHD

Congratulations to Y.Bhg. Dato' Ir Wong Foon Meng who was appointed as the new Chairman of Bina Puri Holdings Bhd effective 1st June 2010.

Y.Bhg Dato' Ir Wong Foon Meng aged 56, is an engineer by profession. He holds a Bachelor of Mechanical Engineering (Hons) from The University of Technology, Malaysia. He served in the Ministry of Science, Technology and Environment in various positions for 13 years. His last position held was as a Regional Director of the Department of Environment for Terengganu and Kelantan from November 1985 till October 1990 before he left to become a consulting engineer. He was elected as a State Assembly man in Terengganu in 1995 and appointed as a State EXCO member. He was appointed as the Deputy President of Senate in 2004 and later as President of the Senate from July 2009 till April 2010.

"I am honoured and privileged to serve Bina Puri Holdings Bhd as its Chairman," said Dato' Ir Wong Foon Meng. "I thank the Board for their confidence in me and I look forward to provide the leadership to ensure the growth and success of Bina Puri Group of Companies."

"On behalf of the Board Members, Management and staff of Bina Puri Holdings Bhd, we warmly welcome Dato' Ir Wong Foon Meng as Chairman. We look forward to his leadership and his wide experience in his field and in the corporate world" said Mr Matthew Tee, Executive Director of Bina Puri Holdings Bhd.

MALAYSIA SERVICES EXHIBITION IN DUBAI

Bina Puri was once again involved in the Malaysia Services Exhibition (MSE-2010) in Dubai from 13th to 15th April 2010.

The event was jointly launched by Her Highness Sheikha Lubna Al Qassimi, UAE's Minister of Foreign Trade and YB Dato Mustapa Mohammed, Malaysia's Minister of International Trade and Industry.

The exhibition was an avenue for Bina Puri to promote its expertise to West Asia and its surrounding regions. It was also a platform to network and forge strategic alliances with potential clients or partners.

Our team was represented by Ir Lee Hong Soon, Mr Guyarn Panggau and Mr Edward Chung.

POWER PLANT IN PULAU BANGKA, SUMATERA, INDONESIA.

By : Tan Kwe Hee

Mr Tay Hock Lee, Director, BPHB and Mr Tan Kwe Hee at the new power supply station in Bangka Island, Indonesia

Bina Puri Mining Ventures Sdn Bhd (BPMV), a wholly owned subsidiary has decided to invest USD2,000,000.00 in power supply venture in P.T. Megapower Makmur (MPM), Indonesia. The power plants are operated by generators and are located at Toboali and Metok in Bangka Island. Bangka is a small island beside Sumatra Island. Toboali is a new area in Bangka Island for developing Genset.

MPM has been awarded by Perusahaan Listrik Negara (PLN) of Indonesia to set up 2 power plants in Bangka Island to supply power to PLN with minimum supply of 2,000KW/h per plant or 48,000 KW/day for each plant.

The production of power for the first plant commenced on 13 May 2010, functioning 24 hours daily supported by four (4) generator sets.

The supply of energy to PLN has achieved the requirement of PLN's target. Our 2nd plant at Metok, Bangka Island is at the installation stage. We expect the 2nd plant to be fully operational by early July 2010.

Bina Puri Mining Ventures Sdn Bhd plans to secure more similar power plants in Indonesia in the near.

BEST SITE AWARD

The winning team from Kota Kinabalu, Sabah

By: Editorial Board

BEST EMPLOYEES - Congratulations & Syabas!**Mr. Edwin Chung Teen Lung:**

Success factors: Positive mindset should always be in mind and on top of that hardwork is the core value that everybody should have.

**Mr. Joseph Tan Peng Fatt**

"I am very happy for the recognition and thanks to all colleagues for their best support and cooperation. It is a challenge to me to be better."

**Ms. Jane PT Lee**

Success factors: Good guidance from my superior and great teamwork from all SLISB's colleague drove me to be awarded as the best.

**Pn. Rauziah Abd Rahman**

"I think that we should accept any work challenge in a welcoming manner. Of course, there is difficulty in some of our tasks and to remove the difficulty, we need to be patient and look for solution and do not focus on the problem itself."

Ms. Jessica Chua Geok Ee, who is presently serving Bina Puri for 17 years felt grateful for the recognition. As a secretary, she admitted that she needs to follow 'her boss' working attitude of time-sensitive, immediate action and work quality.

Ms. Lim Mei Mei told us that Bina Puri's working environment is very conducive. "If we all appreciate our working environment, for sure everybody will be the best as well."

**En. Lopen Bin Sakundog:**

Success factors: Hardwork and always follow instructions wisely. Also, tasks assigned have to be completed on time with excellent quality.

Ms. Liew Yoong Lean said that as an employee of EMSB, she has to be responsible and liable for all of her actions.

**En. Basir Bin Mataim**

Success factors: Hardwork is the only secret of my success.

Mr. Michael Loh Thau Shung said that working at project site is very challenging. Tasks assigned need to be settled on time. Sometimes, he needs to work overtime to make sure the task is completed without delay.

UNDERGRADUATES SCHOLARSHIP PROGRAMME 2009

Recently on 8th April 2010, 18 undergraduate students received the Bina Puri scholarship. The ceremony was held at Bina Puri Headquarters and attended by about 180 staff.

They, who are now pursuing their studies in various fields at local and overseas universities, were selected based on their excellent academic results last year.

The undergraduates scholarship programme aims to provide more opportunities to students to have a better education. Since the inception of the one-year renewable scholarship, more that RM800,000 has been given out.
