Bina Puri wins RM186mil Pakistan job

KUALA LUMPUR: Bina Puri Holdings Bhd has received a letter of award for sub-contract works worth about RM186mil for a housing development in Lahore, Pakistan.

The contract was from BRD Development Sdn Bhd, Bina Puri said in a statement. It said the project was part of master development plan (phase six of the Defence Raya Golf & Country Club, Pakistan's first gated and integrated township), built around the greens of an 18-hole golf course.

The entire township spans 400 acres of landscaped luxury homes, a golf and country club, a retail centre and high-end business premises. The construction period was 24 months from the date of commencement, Bina Puri said.

The company added that the latest project brought the group's total book order to RM2.55bil, with 50% of the works from overseas. - Bernama
