Bina Puri's projects hit total gross devt value of RM3bil

KUALA LUMPUR: Bina Puri Holdings Bhd's property projects have reached an estimated gross development value (GDV) of RM3.07bil with the latest contract in Kelantan.

The company said on Tuesday its unit had teamed up with Sentosa Jaya Development Sdn Bhd to develop a piece of land in Kubang Kerian, Kelantan.

Bina Puri said the project comprises of 27-storey apartments consisting of 10 shops at ground floor, 11 offices, 339 apartments and 485 car parks and the estimated GDV is RM148.7mil.

"The intended construction period is within 36 months. With this latest addition, the group's total GDV is expected to be RM3.07bil," it said.
