Treasure hunters should get their thinking caps ready as the highly anticipated Kiwanis Treasure Hunt returns for its 31st edition this year.

This year's event, themed "All For One", has been set for May 31 and the destination is the Ancasa Royale River Resort in Pekan, Pahang.

Present at the launch on Thursday at the Kiwanis Down Syndrome Foundation National Centre were treasure hunt organising chairman Godfrey Rajalingam and representatives of the sponsors.

Special guests were LBS Bina Group managing director Datuk Seri Lim Hock San whose company is one of the two special Hixson sponsors — contributing RM120,000 to the treasure hunt.

The other Hixson sponsor, Bina Puri Holdings is also contributing RM120,000 to the event.

"This year's theme reflects the concerted effort of everyone coming together in support of those affected by Down syndrome," said Rajalingam.

This year, the Kiwanis Club of Kuala Lumpur is aiming to raise at least RM500,000 through the event, which will go to the Kiwanis Down Syndrome Foundation National Centre and other beneficiaries.

This follows the grand total of RM650,000 that was raised through last year's treasure hunt.

Those interested in participating may begin submitting their entries from now until April 25, as they are limited to 100 entries on a first-come, first-served basis.

The registration and briefing will take place at the Kiwanis Down Syndrome Foundation National Centre in Taman Sea, Petaling Jaya at 10am on May 25.
