## **Bina Puri to Build Multi-Million Spa Resort in Terengganu Darul Iman**

KUALA LUMPUR --- Bina Puri Holdings Berhad, the country's integrated civil and building construction services provider, has secured a RM128.5 million contract to construct a spa resort complex in Kuala Terengganu.

This project, to be undertaken by its wholly-owned subsidiary, Bina Puri Sdn Bhd, involves the construction, supervision, testing and commissioning and completion of eight blocks of two-storey, three-storey and five-storey high buildings, nine pavilions, a spa and a multi-purpose building and related facilities (Package 2).

The contract, awarded by Success Diar Sdn Bhd, was concluded on Feb 27, this year, and the project is to be completed in 22 months. The proposed Movenpick Spa Resort is on a sprawling 25-acre beachfront site at Chendering Beach, Kuala Trengganu.

In a statement issued today, Bina Puri Holdings Berhad Group Managing Director Tan Sri Datuk Tee Hock Seng, JP said he was proud of the Group's latest success as it marked the Group's return to Terengganu after a lapse of a decade.

“In February 2002, Bina Puri successfully completed a road upgrading project from the roundabout Sultan Mansur to Kuala Berang stretch (package 2A) costing RM26.5 million. Our re-entry in Terengganu can only mean the Group is prepared to expand and consolidate our business operations nationwide. With this contract, the Group’s un-built book order stands at RM1.86 billion as at to date. We are confident of securing more projects in the upcoming year,” he said.

The Bina Puri Group has been actively participating in the tender for projects both local and overseas, and would make the appropriate announcements on further projects secured to keep investors and the public informed from time to time.
