SPECIAL PUBLICATION

GROUP MANAGING DIRECTOR'S 40TH ANNIVERSARY MESSAGE

The famous Chinese philosopher Laozi (c 604 bc - c 531 bc), in the 'Tao Te Ching' gave us the following quote *'A journey of a thousand miles begins with a single step.'*

We at Bina Puri began our journey in an era unfamiliar to most youngsters today. The pictures on our television, that is if we actually had one, were in black and white. Owning a camera was a luxury. Streets in our beloved capital of Malaysia, Kuala Lumpur had probably less than 10% of the amount of vehicles compared to what we have today, and bicycles were a common sight that came in only one standard black colour.

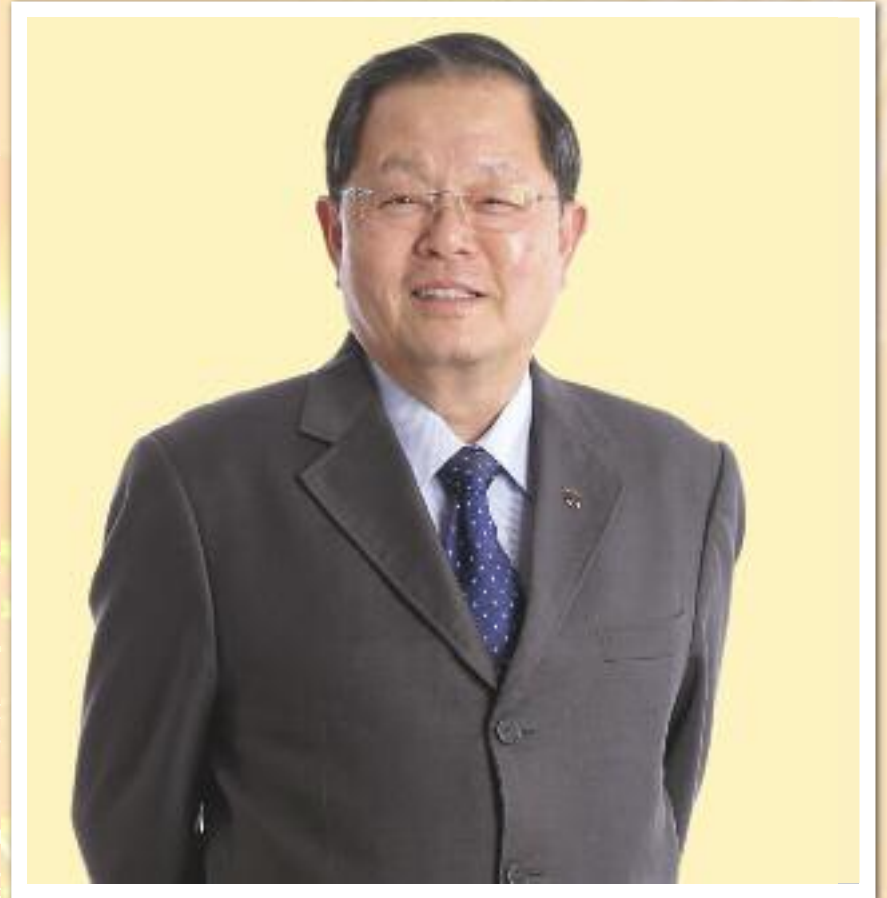

For this 'single step' we are indeed grateful to our beloved Founder Director, Dr Tony Tan Cheng Kiat, who in 1975, took it upon himself and made this very bold move and formed the company. It was just a simple JKR class 'BX' licensed contractor with our first project being the construction of a police station in Kepong.

Today, we have evolved into a major force in the construction industry with numerous successfully completed projects throughout Malaysia. We have also spread our wings and courageously ventured into the international construction scene and established our name in the international front as a reliable construction company.

We moved from being just a reputable contractor into other fields to complement our construction division, namely, property development, highway concession, quarry operations & construction materials, a polyol division and a power utilities supplier.

It makes me very proud indeed to be part of Bina Puri, and I do sincerely hope all my fellow members from our board of directors, management and staff share the same sentiments as I do. I could not have imagined the company growing and achieving such great success over these past 40 years. The numerous awards and recognition bestowed on the company speaks volume of the humble class BX licensed contractor that has blossomed into a public listed company on the Bursa Malaysia with a well-diversified interest in the local as well as international scene.

Of late, although we sense a lot of uncertainty surrounding us, we know we can weather the storm and work together to take the company to the next level and move to greater heights. But I must stress that divided we may fall, but united we stand tall. These past 40 years have taught me a lot and I know we still have the potential to grow and outdo ourselves to the extent that we can make ourselves and our dear ones proud of us and the organisation that we are associated to.

I am sure many have wonder and asked us, in which direction are we heading now since we had a fairly good 40 years of success. The answer to this is very simple. It all depends very much on us as a company. Each and every one of us in Bina Puri has a very important role to play. Some of us might be in a very important decision making role whilst others may play a smaller administrative role. But to me, each and every one of us is just as important, as we need the full contribution and dedication of everybody in order to succeed and carry on moving forward for many more years to come.

To all those long serving staff, I would like to record my sincere appreciation to all of you for your continuous dedication and loyalty towards the company. Rest assured your contribution towards the successful 40 years the company has thus far enjoyed has not gone unnoticed.

To those who have just recently become a part of the Bina Puri family, my advice to you is to remain with us and we will both benefit from this working relationship in the long run.

Lastly, to all our shareholders, business associates, partners and stakeholders our sincere gratitude for being a part of the Bina Puri Group and having supported these past 40 years.

集團董事經理四十周年獻詞

中國著名的哲學家老子在道德經中有這麼一句話”千里之行，始於足下”

高峰集團披荊斬棘的創業之路是新時代的年青人難以想像的，那時候的電視機是黑白電視，並不是家家戶戶都能夠擁有的必需品，相機也是奢侈品。當時，我們的首都吉隆坡，街道上的車輛不到目前的 10 %，黑白的腳踏車是街頭巷尾最常見的交通工具，數不勝數的例子，實在讓人不勝唏噓。

高峰集團能夠踏出創業之路，歸功於我們的創辦人Dr Tony Tan，他在1975年只憑著 JKR 所頒授的 ‘BX’ 級承包商執照，便義無反顧的帶領著大家走向創業之路，我們所拿到的第一個承包工程，是仙都的警察局建築工程。

今天，我們已經成為馬來西亞數一數二的建築發展商，輝煌的業績遍佈全馬，足跡遠至沙巴、砂朥越甚至於汶萊。我們的發展臂膀亦延伸到國際領域，讓我們成為實至名歸的跨國企業，贏得卓越的名聲與信譽可靠的好評。

我們從謙卑的承包商晉級為聲譽顯赫的發展業巨擘，所涉及的領域包括了產業發展、公路特許權，採石及建築材料，多元醇聚氨酯及電力供應站等。

能夠成為高峰集團的一份子，我感到非常榮幸，我也希望董事部全體同仁、管理層與全體員工能夠萬眾一心，眾志成城。在這四十年間，集團能夠達致今日的成果，讓我們欣慰萬分，從小小的BX級承包商，發展成為今日備受推崇且得獎無數的跨國企業，並且在吉隆坡股

票交易所掛牌上市，我們放眼本地與國際市場，朝向業務多元化的方向發展，引領大家走向更寬闊的藍天！

近日，雖然遭到許多不確定因素的影響，我們更應該全力以赴，務求共度時艱，我必須強調，只有團結一致才能屹立不倒，萬眾一心才能再登高峰。在過去的四十年，我深深體會到疾風知勁草的精神，只有經過嚴峻的考驗，才能磨鍊出真正的強者！我也深深的明白，我們都具備無窮的潛力，只要我們盡心盡力，肯定能夠造福公司與家人。

打造了四十年的光輝歷史，相信很多人都想要知道我們的未來應該朝甚麼方向發展，其實答案很簡單，高峰集團的未來掌握在大家的手中，每個人都扮演著重要的角色，有些人是決策者，有些人是行政執行者，只要大家各司其職，各盡本份，就能夠帶領公司朝向更璀璨的未來。對我來說，每位員工都非常重要，只要大家盡心盡力，我們的未來將更加輝煌璀璨。

對於那些忠心耿耿的長期服務者，我在此向大家致謝，感謝大家終其一生為公司鞠躬盡瘁，公司在今天能夠取得豐碩的成果，您們實在是功不可沒。

至於那些剛剛加入高峰集團的生力軍，我期盼大家能夠萬眾一心，發揮團隊精神，建立良好與長遠的伙伴關係。

末了，本人僅向全體股東、商業伙伴及合伙人致謝，本人也代表高峰集團向大家致敬，感謝大家四十年來對我們的信賴與支持。

MESSAGE FROM 40TH ANNIVERSARY ORGANISING CHAIRMAN

It gives me great pleasure to pen a few words as the Chairman of the Organising Committee for our 40th Anniversary celebration and the production of this special edition of our Bulletin Bina Puri in conjunction with this landmark event in the history of our organisation.

After being in operations for a good 40 years, which is a feat that would be the envy of many, we are indeed very proud of our achievements thus far and now are prepared to move on and improve on our already impressive track records these past glorious years. We now possess the experience and the courage to take the company to another level.

With this new theme, we at Bina Puri Holdings and our subsidiaries must be prepared to put our mind and body on being able to shift a gear up. With a strong sense of determination and improved mind set, I am very sure we will be able to truly scale to new heights. But this can only be achieved if we work as a team and support one another in all that we do.

Although I was not part of the organisation at its inception in 1975, but ever since I joined the company in Dec 2003, I have seen the huge potential that lies ahead of us. I hope and trust we will not rest on our laurels, but instead be motivated to be part of the Bina Puri Group that seeks opportunity where others see obstacles and to grow positively with the organisation.

I take this opportunity to thank my organising team to ensure the success and smooth running of our 40th Anniversary Celebration and Party. We have always made it a practise to make our celebrations special in every five years and we look forward to the next celebration in another five years, for our 45th Anniversary, and look forward further to our Grand celebration for our 50th Golden Anniversary celebrations in the year 2025. Our main aim and focus is now on 'SCALING NEW HEIGHTS' while continuing to be the Landmark Builder within Malaysia.

Group Executive Director

THE STORY OF BINA PURI

Wisma Bina Puri, Bukit Idaman, Selayang

Bina Puri, Bangna District, Bangkok, Thailand

Alam Mesra, Kota Kinabalu, Sabah

Bina Puri is a combination of two words in which 'BINA' is a Malay word that means 'to construct'. Thus 'Bina' directly reflects the construction activity as the core business of Bina Puri Group of Companies.

Meanwhile, based on the press interview released in Utusan Malaysia dated 3rd December 1994 and The Star dated 28th December 1994, the Group Managing Director, YB Tan Sri Datuk Tee Hock Seng, JP stated that the word 'PURI' is a name of a hill in Bandung, Indonesia.

From the Malay literature perspective, 'PURI' is a Malay word that is rarely used in Malaysia, but more frequently used in Indonesia.

In reference to Kamus Dewan (Dewan Dictionary) published by Dewan Bahasa dan Pustaka (DBP), the word 'PURI' means beautiful residence of a king or a palace.

In justifying whether the 'PURI' means a palace or it refers to a hill in Bandung, the pioneer and the founder of Bina Puri Group of Companies, Dr Tony Tan Cheng Kiat clarified that 'PURI' solely means palace.

In summary, by combining the words 'Bina Puri', it is literally defined AS CONSTRUCTING 'A PALACE'. Analogically this reflects the capability to construct high and beautiful buildings.

Thus, it is timely that during our 40th Anniversary Celebration, we are once again reminded of how we got our name Bina Puri.
