Mudajaya clinches RM958m job

PETALING JAYA: Bina Puri Holdings Bhd's joint venture company has awarded a RM958mil contract to Mudajaya Corp Bhd to design and build part of the Kuala Lumpur-Kuala Selangor expressway.

The contract involved package one of the Assam Jawa-Kundang stage and the second package was the Kundang-Templer Park section, it said in a statement yesterday after the signing of the agreement.

Bina Puri's 50% owned KL-Kuala Selangor Expressway Sdn Bhd is the concessionaire for the expressway project. Its partner is Arena Irama Sdn Bhd.

It said the project was awarded to Mudajaya based on a competitive tender exercise and work was expected to be completed within 30 months.

When completed, the expressway would enable motorists to cut travelling time between Kuala Lumpur and Kuala Selangor to 45 minutes from two hours, it said.
