Bina Puri Holdings Bhd's unit, Bina Puri (Thailand) Ltd, has secured a warehouse construction project worth RM80.88 million from Thai Consumer Distribution Centre Co Ltd.

In a statement, Bina Puri said the project, to design and build the Unilever Distribution Centre 2, would be located at Ban Klong Prueng, Bangkok and is expected to be completed within 14 months.

Bina Puri Holdings Group Managing Director Tan Sri Tee Hock Seng said this was the sixth warehouse and factory construction contract bagged by the group since its venture into the Thailand construction industry in 2003.

"This new award marks another milestone in the long-term relationship between Bina Puri companies and its Thailand customers," he added.

The group said the scope of works for the Unilever Distribution Centre 2 include site clearance, landfill, piling works, foundation works, structure works, roofing, and internal and external finishing.

"The group's current unbuilt book order stands at RM1.86 billion," it said. Bina Puri Holdings has also secured a contract to build more than 40,000 units of affordable housing for the National Housing Authority of Thailand and to build condominiums for private developments with a value of more than RM 1.8 billion.
