Bina Puri Holdings raih kontrak bernilai RM94.94j

KUALA LUMPUR 3 Sept. - Bina Puri Holdings Bhd. (Bina Puri Holdings) memperoleh kontrak pembinaan bagi menjalankan kerja-kerja am di dalam kompleks pemecahan wap bernilai RM94.94 juta bagi Projek Pembangunan Bersepadu Penapisan dan Petro-Kimia Petronas (RAPID) di Pengerang, Johor.

Ketua Pengarah Eksekutif Kumpulan Bina Puri Holdings, Matthew Tee berkata, kerja-kerja pembinaan tersebut meliputi pengurusan tanah, menyediakan tapak asas untuk peralatan, tebatan api, penyediaan rak dan jaluran, penyediaan lantai termasuk lantai kimia dan penurapan di Kawasan B kompleks terbabit.

Jelas beliau, projek berkenaan akan mula dijalankan pada Januari tahun hadapan dan dijangka siap dalam tempoh 27 bulan bagi me-

nampung segala operasi kerja-kerja am projek RAPID Petronas yang kini sedang giat dibangunkan.

Katanya, projek RAPID Petronas mempunyai kapasiti penapisan sebanyak 300,000 bps sehari itu merupakan sebahagian daripada Kompleks Petroleum Bersepadu (PIPC) di Johor yang dianggarkan bernilai berbilion ringgit.

"Tender pertama yang diperoleh dan dimenangi oleh syarikat adalah untuk melaksanakan kerja pembinaan di dalam kompleks gas dan minyak di kawasan berkenaan. Perkara ini sekali gus membuktikan kemampuan syarikat dalam menggunakan teknik pembinaan melalui teknologi tinggi menepati kehendak industri.

"Malah, setakat ini Bina Puri terus aktif dalam menghantar tender-tender pembinaan yang terbaik di peringkat tempatan mahupun

antarabangsa kerana kami sentiasa optimis untuk memperoleh lebih banyak lagi projek baharu sehingga hujung tahun ini," katanya dalam kenyataan di sini hari ini.

Bina Puri Sdn. Bhd. yang merupakan anak syarikat Bina Puri Holdings telah menerima Surat Anugerah Projek daripada Toyo Engineering & Construction Sdn. Bhd. pada 12 Ogos lalu bagi menjalankan kerja-kerja am di Kawasan B di Kompleks Pemecahan Wap untuk Projek RAPID Petronas itu.

Tambah Tee, Bina Puri turut mempunyai tempahan kerja binaan yang belum siap bernilai RM2.72 bilion dan pada tahun ini sahaja, semua projek baharu yang diperoleh oleh syarikat berjumlah RM933 juta.

"Semua projek ini mampu menjadi penyumbang terhadap kewangan syarikat untuk sentiasa berada dalam kedudukan yang lebih positif bagi aset bersih serta perolehan syarikat bagi tahun kewangan hadapan," ujarnya.

Bina Puri wins RM95mil civil works contract

KUALA LUMPUR: Bina Puri Holdings Bhd, a construction outfit, has clinched a contract close to RM95mil from Toyo Engineering & Construction Sdn Bhd to do civil works in a steam cracker complex within the site of Petronas' Refinery and Petrochemical Integrated Development (Rapid) project in Pengerang, Johor.

Group executive director Matthew Tee (*pic*) said this contract marked the company's first successful tender to undertake a sizeable construction project in civil works for an oil and gas complex.

"It is testament to the group's versatility and competency in using advanced construction techniques that meet the exacting requirements of the scope of work.

"The group is still actively tendering for various projects, both locally and overseas, and it hopes to secure more new projects before year end."

With the latest award, the group's unbuilt book order stands at RM2.72bil as at to date. The group has managed to secure RM933mil worth of projects so far this year. The construction will begin in January next year and is to be completed in 27 months.

Construction works include earthwork, foundation for equipment, fire proofing, installation for PC rack and road, floor (including chemical floor) and paving in Area B of the complex.

Construction on aug 12 for the civil works in progress Area B in the steam cracker complex within the Rapid project site.

The project is expected to contribute positively to the net asset and earnings of Bina Puri Group for the next financial year ending Dec 31.

Following this, TA Research has raised its earnings forecasts for Bina Puri Holdings Bhd for the financial years ending Dec 31, 2016,

and 2017 by 3.6% and 2.8%, respectively.

The brokerage tweaked its share-price target for Bina Puri higher at 38 sen from 37 sen previously, based on an unchanged valuation of seven times the projected earnings per share for 2016.

It maintained its "hold" recommendation on Bina Puri, given the total potential return of 12.7%, including an expected dividend yield of 5.6%.

Bina Puri bags RM95m Pengerang project

PETALING JAYA: Bina Puri Holdings Bhd has clinched a contract worth RM94.94 million for civil works in a steam cracker complex within Petroliaam Nasional Bhd's (Petronas) RM60 billion Refinery and Petrochemical Integrated Development (Rapid) project in Pengerang, Johor.

The contract is scheduled to begin in January 2016 and is expected to be completed in 27 months.

In a statement released yesterday, the group said its subsidiary Bina Puri Sdn Bhd has accepted a letter of award from Toyo Engineering & Construction Sdn Bhd on Aug 12, 2015 for the civil construction works.

Bina Puri said the works include earthwork, foundation for equipment, fire proofing, installation for PC rack and road, floor (including chemical floor) and paving in area B of the complex.

The on-going Rapid, which will have the refining capability of 300,000 barrel per stream day, is part of the larger multi-billion Pengerang Integrated Petroleum Complex in Johor.

Group executive director Matthew Tee said the contract marked the group's first

successful tender to undertake a sizeable construction project in civil works for an oil and gas complex.

"The group is still actively tendering for various projects, both locally and overseas and it hopes to secure more new projects before year end," he added.

With the latest contract, Bina Puri's unbuilt book order stands at RM2.72 billion as at to date. The group has managed to secure RM933 million worth of projects this year.

The group said it expects the project to contribute positively to its net asset and earnings for the financial year ending Dec 31, 2016.

Earlier this year, Bina Puri Properties Sdn Bhd signed a joint development agreement with LakeHill Resort Development Sdn Bhd, a subsidiary of Malaysia Pacific Corp Bhd, to build 412 units of double-story terrace houses with a gross development value of RM204 million in Johor.

The group's business activities include investment holdings, civil and building engineering management, property development, highway concession, quarry operations, manufacturing of construction materials.

KUALA LUMPUR (Sept 3): Bina Puri Holdings Bhd secured a RM94.94 million construction contract within Petroliaam Nasional Bhd's (Petronas) refinery and petrochemical integrated development (RAPID) project in Pengerang, Johor.

In a statement to the exchange today, Bina Puri (fundamental: 0.15; valuation: 2.6) said it would build a steam cracker facility within RAPID. Bina Puri said it clinched the steam cracker project from Toyo Engineering & Construction Sdn Bhd.

"With the latest award mentioned above, the Group's unbuilt book order stands at RM2.72 billion as at to date. With this award, we have managed to secure RM933 million projects in 2015. We are still actively tendering for various projects both locally and overseas. We hope there will be more new projects before year end.

"The said project is expected to contribute positively to the net assets and earnings of Bina Puri Group for the financial year ending December 31, 2016," Bina Puri said.

In a separate statement, Bina Puri group executive director Matthew Tee said the contract marked the builder's first sizeable construction project in the oil and gas sector.

Tee said the 27-month project beginning January next year would include earthwork, foundation for equipment, and fire proofing.

"It is testament to the group's versatility and competency in using advanced construction techniques that meet the exacting requirements of the scope of work.

"The group is still actively tendering for various projects, both locally and overseas, and it hopes to secure more new projects before year end," he said.

At 3.14pm, Bina Puri shares rose 0.5 sen or 1.4% to 36 sen, giving the company a market capitalisation of RM78.3 million.

The stock saw 161,000 shares done.

Bina Puri bags RM95m Rapid contract

BINA Puri Holdings Bhd has secured a RM94.94 million contract to construct civil works in a steam cracker complex within the site of Petroliam Nasional Bhd's (Petronas) RM60 billion Refinery and Petrochemical Integrated Development (Rapid) project in Pengerang, Johor.

In a statement yesterday, Bina Puri said the construction works include earthwork, foundation for equipment, fire proofing, installation for PC rack and road, floor (including chemical floor) and paving in Area B of the complex.

The ongoing Rapid project, which will have the refining capability of 300,000 barrels per stream day, is part of the larger multibillion Pengerang Integrated Petroleum Complex in Johor.

The contract, which was bagged by its unit Bina Puri Sdn Bhd (BPSB) from Toyo Engineering and Construction Sdn Bhd, will begin in January 2016 and to be completed in 27 months.

Group ED Matthew Tee Kai Woon said this contract marked the group's first successful tender to undertake a sizeable construction project in civil works for an oil and gas complex.

"It is testament to the group's versatility and competency in using advanced construction techniques that meet the exacting requirements of the scope of work.

"The group is still actively tendering for various projects, both locally and overseas, and it hopes to secure more new projects before year-end," he said.

TA Securities Holdings Bhd in a research report yesterday said that assuming pretax profit margin of 3%, the project is expected to contribute RM2.1 million in net profits or one sen per share throughout the construction period.

Subsequent to the earnings revision, TA Securities said it has tweaked upwards its target price for Bina Puri shares to 38 sen from 37 sen previously based on an unchanged seven times the financial year of 2016 earnings per shares.

Bina Puri said with the latest award, the group's unbuilt orderbook stands at RM2.72 billion to date. The group has managed to secure RM933 million worth of projects in 2015.

The group has also secured two other projects earlier this year. Bina Puri Properties Sdn Bhd has signed a joint development agreement with LakeHill Resort

Development Sdn Bhd to build 412 units of double-storey terrace houses with a gross development value of RM204 million near Masai in Johor.

On June 15, BPSB had accepted a letter of award from Medini Development Sdn Bhd to undertake the development of two blocks of 23-storey office tower in Medini's central business district in Iskandar, Johor, at a cost of RM195 million.
