## Bina Puri accepts LOA for Sabah low cost project

KUALA LUMPUR — Bina Puri Holdings Bhd has joined the ranks of contractors undertaking the construction of affordable homes to enable the lower income group to have a roof over their heads.

The group received a letter of award (LOA) for the role of project management consultant from Arus Sutera Sdn Bhd to design, build and complete 440 units of five-storey walk-up apartments for "Program Perumahan Rakyat" in Pitas, Sabah.

In a filing to Bursa Malaysia, Bina Puri

Holdings Bhd said the award was received through its wholly-owned subsidiary Bina Puri Sdn Bhd with a contract of RM80 million. The project is to be completed within forty two months.

It will have six blocks of walk-up apartments; of which five blocks will be five-storey high with 80 units in each block and one five-storey high block with 40 units. Other facilities includes a community hall, a kindergarten, a surau and 552 units of parking lots.

Group executive director Matthew Tee said Bina Puri looks forward to securing more projects soon.

"In line with last year's budget, construction being one of the major beneficiaries with a targeted growth in excess of 8%, the group is confident that we will be one of the major players especially with our presence in Sabah, Sarawak, Kuala Lumpur and Johor, the four main growth cities identified in the 11th Malaysia Plan," he said.

Last week, Bina Puri Sdn Bhd together with PPES Works (Sarawak) secured the proposed development and upgrading of Pan Borneo Highway, Sarawak (Phase 1 from Sg Awik Bridge to Bintangor Junction) from Lebuhraya Borneo Utara Sdn Bhd with contract sum of RM1.36 billion and which will be completed in 47 months.
