■ KUALA LUMPUR 26 SEPT.

BINA Puri Sdn. Bhd., anak syarikat milik penuh Bina Puri Holdings Bhd. menerima satu lagi kontrak bernilai RM18 juta di bawah Projek Pembangunan Bersepadu Penapisan Minyak dan Petrokimia (RAPID) di Pengerang, Johor.

Surat anugerah itu diterima daripada Punj Lloyd Sdn. Bhd. (Punj Lloyd), bagi pelaksanaan loji bangunan dan bukan loji (Bahagian A) untuk Pakej 22 yang sepatutnya disiapkan dalam tempoh 11 bulan.

Pengarah Eksekutif Kumpulan Bina Puri, Matthew Tee berkata, kontrak terbaharu itu menjadikan keseluruhan nilai kontrak dalam tangan yang belum dibina mencecah RM2.02 bilion.

"Projek ini dijangka menyumbang secara positif kepada aset bersih dan pendapatan Bina Puri Group bagi tahun kewangan berakhir 31 Disember 2016 daripada pendapatan kontrak menerusi bayaran yang diterima," katanya dalam kenyataan di sini hari ini.

Projek itu merupakan kontrak kedua yang dianugerahkan Punj Lloyd dan keempat oleh Petrolim Nasional Berhad (Petronas) di Pengerang.

Projek ini dijangka menyumbang secara positif kepada aset bersih dan pendapatan Bina Puri Group bagi tahun kewangan berakhir 31 Disember 2016 daripada pendapatan kontrak menerusi bayaran yang diterima."

Skop kerja bagi kontrak tersebut termasuklah kerja-kerja awam, struktur dan seni bina bagi bangunan seperti stesen kecil, bilik medan bantuan dan operator perlindungan bangunan, stesen pam serta pakej dan asas kapal.

Bina Puri memperoleh kontrak pertama bernilai RM73 juta pada Jun lalu bagi pembinaan pemasangan paip *sleeper* dan bawah tanah serta dua lagi kontrak di RAPID bernilai RM94.94 juta bagi kerja-kerja am di Kompleks

Steam Cracker pada 3 September 2015 dan kontrak bernilai RM230 juta untuk membina dua bangunan kawalan utama dan empat makmal pada 20 Oktober 2015.

Setakat ini, keseluruhan projek yang diperolehi pada tahun ini bernilai RM841 juta.

Menurut Tee, penyertaan Bina Puri terutama dalam loji petrokimia terbesar di Malaysia itu membuktikan keupayaan syarikat untuk melaksanakan tanggungjawab yang diberi.

"Malah, penglibatan kami dalam banyak projek pembinaan tahun ini adalah seiring dengan Bajet 2016 yang digariskan kerajaan dan juga Rancangan Malaysia Ke-11 (RMK-11)," katanya.
